HVAC maintenance is an important part of keeping one of your home's most expensive investments operating at its fullest, energy-efficient capacity, and from turning into an unnecessary major expense or even worse, a failure during the Houston area's hottest months! Don't think twice about protecting your home heating and cooling system, and ensuring your family's comfort - join the Expert Air Be Cool Club today!

Maintenance Plan

YOU benefit when you join the Be Cool Club!

- ✓ You receive ***NO OVERTIME FEES*** as long as you are a Be Cool Club member.
- ✓ You receive ***PRIORITY SERVICE SCHEDULING*** when you need it - you go to the front of the line.
- ✓ ***Energy usage declines*** and you save money by keeping your equipment clean and properly maintained.
- ✓ The likelihood of ***system failure goes down*** and you extend the life of the comfort equipment in your home.
- ✓ ***TWO*** maintenance visits per year - \$59 value for each visit
- ✓ \$0 diagnostic and service fees on heating & cooling repairs. - \$99 value
- ✓ 10% Discount on replacing heating & cooling equipment.
- ✓ 20% Discount on heating & cooling repairs.
- ✓ 24-Hour emergency service
- ✓ Validated manufacturer warranties
- ✓ Extended appointment times

All HVAC service companies are *not* the same, and good, honest service is a rare commodity these days. At Expert Air we are offering our valued customers membership to the Be Cool Club. We want you to feel that you're a part of our family so that when it comes to service you will call us. We value you, your business, and your referrals. Thank you for choosing Expert Air!
